COMMUNICATION

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This is to summarize the substance of the telephonic interview of March 26, 2003. The participants were those indicated on the Interview Summary mailed March 27, 2003 (Paper No. 10). Applicants' attorney discussed claims 55, 70, 74, and 83 as indicated in the Interview Summary under the heading "Substance of Interview...." Applicants' attorney made remarks regarding these claims only in regard to the Restriction Requirement mailed March 11, 2003 (Paper No. 9). The Examiner indicated that a reply to the restriction requirement is not necessary and that a new office action will be mailed.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, Applicants petition for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 356952000304.

Respectfully submitted,

Dated: April 15, 2003
